NEWSPAPERS IN EDUCATION

Siuslaw News is looking at ways to help support the kids, no matter if he are in person or homeschooling. Newspapers in Education is a program we have done for the last several years that allows teachers to request copies of the Siuslaw News to use in the classroom and the offer of a subscription directly to the students. From literacy to politics, current events and world history, newspaper stories teach valuable skills and life lessons. Encouraging kids to read the newspaper not only makes them better students, it also makes them informed citizens. By encouraging kids to read, ask questions and think critically, newspapers play an important role in our future as a country.

A donation of \$30 will supply a 9-Month subscription for one student for the 2021-22 school year. For more information please contact us at 541-997-3441 or jbartlett@thesiuslawnews.com

MONEY TIPS

Wants vs. Needs

What's the difference?

NEEDS include living essentials such as food, housing, clothing, healthcare, and education.

WANTS are all the extras you can live without, like movie tickets, video games, a new bicycle, or the newest smartphone.

Your expenses must be able to cover your needs, while your wants are things to save up for!
