Community News

New zine on scene

As of December, Volume #1 of the Siuslaw Vikings Art Zine has been published. Members of the Siuslaw High School Business of Art Club are leaving them all around Florence and the surrounding area for the community to find.

A zine is a self-published, non-commercial, printed work that is typically produced in small, limited batches.

"Our club has printed less than 100 tiny colorful books," said leader Kassy Keppol.

The zines showcase current work produced by club members including Siuslaw High School students, home schooled students, staff and guest speakers.

If you are a high school student in the area, and you are thinking about having or already have an art business, it isn't too late to join the after school Business of Art Club. People can contact Keppol through kkeppol@siuslaw.k12.or.us to find out more information.

"Be on the look out for these tiny books," Keppol said. "The club members plan to produce them regularly and volume one is sure to become a collectors item."

Trees cause closure of Thompson Creek Road

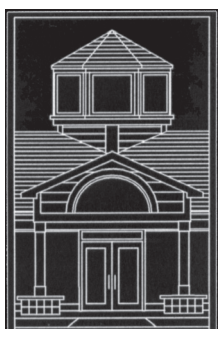
Thompson Creek Road in the upriver community of Swisshome is now closed due to multiple down trees.

The closure is expected to last through Jan. 7.

The suggested alternate route is Highway 36 to Indian Creek Road.

Library Tidings

News about the Siuslaw Public Library by Kevin Mittge



Holiday Closures

The library will be open only one hour on Friday, Dec. 31, New Year's Eve, from 11 a.m. to noon, and be closed on New Year's Day.

If you need book or DVDs for the holiday weekend, be sure to stock up early!

The library wishes all of our patrons and the community a safe and happy holiday season!

Mobile WiFi Hotspots Available for Checkout

Need some Internet service at home or on a trip for a brief period?

The library is now offering WiFi hotspots for check-out for up to one week, with one renewal allowed if there are no holds. Each hotspot kit includes the hotspot device, an AC adapter and cord, and a user guide.

The hotspots are available to patrons whose library cards are in good standing and must be requested at the Circulation desk, where all users must sign an agreement upon check-out. Hotspots not returned will have their service terminated and will no longer be usable. Please note that the hotpots will only work where there is available cell service.

For more information, please check with Circulation staff.

Library Tables

The library purchased new tables for the Bromley Room (the large public meeting room) and gave the pink tables that had been in the Bromley Room to the Friends of the Siuslaw Public Library to sell.

The four tables, which measure 5 foot long by 3 foot wide, are very sturdy, with metal legs that fold and very durable formica tops. They would be great for crafts, hobbies such as quilting, games and puzzles, or dining.

They are priced to sell at $50 each, or best offer.

People can see the tables at the library by appointment, or see a picture on the December Library newsletter, at www.siuslawlibrary.info/, click on newsletters, click on December and scroll down.

All proceeds will benefit the library.

For more information, contact the Friends via email at siuslawlibraryfriends@gmail.com.

OHA to hold daily COVID-19 Vaccination Clinics at FEC

Thanks to a partnership between Lane County Public Health, the Oregon Health Authority and the City of Florence, COVID-19 booster shots, 1st and 2nd doses, and pediatric doses will be much more available in west Lane County.

Oregon Health Authority (OHA) will be hosting daily walk-in COVID-19 vaccine clinics at the Florence Events Center, 715 Quince St., from Friday, Dec. 31, through Friday, Jan. 21, with the exception of Jan. 18.

The Florence Events Center clinic will serve any and all community members needing any one of the above vaccinations.

The clinics will be from noon to 7 p.m. Monday through Saturday, and 11 a.m. to 4 p.m. on Sundays at the Florence Events Center.

These clinics will be walk-in, no appointment necessary.

Vaccines available are:

- 1st, 2nd doses of Moderna, Johnson & Johnson, and Pfizer
- Booster doses of Moderna, Johnson & Johnson, and Pfizer
- Pediatric doses for ages 5 and older

People in Oregon age 18 and older are eligible for booster shots six months after a second dose of the Moderna or Pfizer vaccine or two months after the single dose of the Johnson & Johnson vaccine. Boosters provide added protection from serious illness from COVID-19.

Additional information and any updates will be shared on the FEC website at www.eventcenter.org, as well as the Lane County and OHA websites, lanecounty.org/vaxclinics and healthoregon.org/coronavirus.

The Florence Events Center is among four new high-volume vaccination sites opening across the state to provide easy access to COVID-19 vaccines and booster shots. Other locations include Pony Village Mall in North Bend, the Roseburg Public Library and Spirit Mountain Casino in Grand Ronde.

"These sites will offer all three COVID-19 vaccines, boosters and pediatric doses," OHA announced Dec. 23. "The vaccines are safe, effective and free. You do not need health insurance. No appointment is necessary."

For more information about vaccination clinics and providers, go to GetVaccinated.Oregon.gov.
