SUMMARY RESORTS.

THE SEA SIDE HOUSE.

CLATSOP BEACH.

MRS. P. WASSON, Proprietress.

Here, at the seaside, in the very midst of Portland, on the very place where the water meets the land, is a spot of unrivalled beauty.

Mrs. Wasson is a gentleman in every respect. She has a ready acquaintance with the wants of her guests, and is always ready to oblige them.

In summer, the region is a favorite resort for invalids, and in winter, it is a pleasant retreat for those who love seclusion.

The sea side house is a first-class establishment, with all the comforts and conveniences of a first-class hotel.

Dr. Rixman's Small-Pox Cure.

Dr. Rixman's Small-Pox Cure is now being advertised in the newspapers. It is a prominent name in the small-pox cure, and has been advertised in the same manner for several years past.

The proprietors of the cure have been at great expense to make it known to the world, and they have reason to be satisfied with the result.

The cure is a new and improved one, and is calculated to meet the wants of the people in this respect.

Dr. Rixman's Small-Pox Cure is a sure and sure cure. It has been tried in many cases, and has been found to be highly efficacious.
