To Investors.—The Northern Pacific Railroad Company has now built, equipped and put in operation, nearly 517 miles of its main line of road through an excellent coun- try and along what is known as the Valley Route to the Pacific.

With these accomplished results, the Com- pany offers, and is now rapidly selling, its First Mortgage Bonds, for completing the construction and equipment of its road across the Continent.

These securities have the following elements of strength and safety: They are the oblig- ation of a strong corporation; they are also a mortgage on the Road, its right of way, equip- ments and franchises, and a first lien on its net earnings.
