COMMERCIAL STATISTICS.

AVERAGE DIAMETER OF WHEAT.

A statistical report has been compiled by the government, showing the average diameter of wheat, taken on at 600 at Portland, and being delivered at the present time at 450. These reports are received by the government at the rate of ten sets per day, and from this the average diameter of wheat can be ascertained. The wheat brought in at Portland is reported as being from 4.5 to 5 inches in diameter, and the wheat brought in at Seattle as being from 5 to 5.5 inches in diameter. The wheat brought in at Astoria is reported as being from 5.5 to 6 inches in diameter, and the wheat brought in at Coos Bay as being from 6 to 6.5 inches in diameter.

ODD FELLOWS.

Mr. A. Nozzone, of Oregon Lodge No. 3, of Portland, has been appointed Grand Master of the Grand Lodge, Independent Order of Odd Fellows, of the Columbia Empire, established at Portland on the 29th of September, 1872.

The Grand Lodge of the United States is now in a fine body of men as we have not had it since 1872, when it was dissolved by the grand master. The grand master, Dr. Grand Master Durbin, of Washington, is now in Portland, presiding over the deliberations, and the lodges are in a harmonious and prosperous frame of mind. There was no business in the work, and the grand master and many other members are present.

The scene of the operations of the Grand Lodge of Oregon is in the lodges of the cities of Portland, Salem, and Salem. This was deemed highly fitting, as these two states are the only states in the United States in which the Odd Fellows are represented.

The annual report of the Grand Secretary makes a statement of 144 pages, and gives an interesting history of the order for the last year.

The annual revenue of the Grand Lodge is a total of $60,000, an increase of $10,000 over last year.

The grand secretary, in his report, gives a statement of the amount of money collected during the past year, which is $21,000, and the amount of money spent, which is $11,760. The grand secretary states that the amount of money spent is the highest in the history of the order, and that the amount of money collected is the lowest in the history of the order.

The grand secretary also states that the amount of money spent for the past five years is $72,000, and that the amount of money collected is $70,000. The grand secretary states that the amount of money spent is the highest in the history of the order, and that the amount of money collected is the lowest in the history of the order.

The grand secretary also states that the amount of money spent for the past five years is $72,000, and that the amount of money collected is $70,000.
