Take Your Local Paper.—A man in Marion county last week saved \$150 by taking his local paper, the Mercury, and there is a man in this county, near Brownsville, who told us, a short time ago, that he had made an 80-acre tract of land by being a reader of the Demo-erat. He had been wanting for a long time to buy an 80, adjoining his farm, but could get no track of the owner, who was a non-resident of the State, and finally saw it advertised for tax sale in the Democrat. He attended the sale and bought it for a nominal sum, and is now the owner of it.—Aibany Democrat.
