Drifts and Tow Heads 1876.

Upper Astoria, Clatsop county, Oregon. }
April 24, 1876.

At a Special meeting of the Columbia River Fishermen's Beneficial Aid Society, the following regulations for the government of all concerned were adopted. That the following drifts and tow heads be established for the fishing season of 1876.

First Drift. From Woody Island to Brown's point.

Second Drift. From Brown's Point inside of Snag Island to the 12th red buoy.

Third Drift. From the 15th buoy to Tongue Point.

Fourth Drift. From Tongue Point to a point a little west of Booth's Cannery, at a place to be designated by a spile or some permanent mark.

Fifth Drift. From the termination of the 4th drift to Smith's Point.

Sixth Drift. From Smith's Point to the Pacific Ocean.

Seventh Drift. From the red buoy in the Prairie channel to Tongue Point up or down.

Eighth Drift. The big snag in Chinook shoot will be considered a tow head.

The fishermen in Astoria, in council have mutually agreed to bind themselves to be governed by the foregoing drifts, and it is expected from boats outside of the Society that they will also conform to the same.

Any fisherman who is not fortunate enough to be a member of this Society has still another opportunity to join this Society, by applying before the 10th day of May, 1876, in accordance with the notice published elsewhere in the ASTORIAN. After which time the initiation fees will be raised to twenty-five dollars.

By order of the Society,
THOMAS DEALEY, Sec.

SPECIAL NOTICE.—We shall not, cannot, in future, answer letters of inquiry written to us by parties desirous of settling in Oregon, unless such letters of inquiry contain at least the amount of stamps necessary to pay postage on the return letter. For 2 cents we will forward four copies of THE ASTORIAN, of separate dates, to any address in the United States, postage paid.

ADVERTISE.—An exchange says: Maybe you think that people don't like to read advertisements! If you do you are much mistaken. Fresh, well-written, well-placed advertisements are news! They are welcomed, read—nay, studied! The newspaper that is alive with them is increasingly acceptable and so is the business house that knows how to get them up, possessed with the sagacity and nerve to keep them up.

—Postage on the WEEKLY ASTORIAN is two cents a paper to any part of the United States, when sent by people not connected with the newspaper office. We will send four copies (separate dates), equivalent to one month, to one address, in one wrapper (post-paid), on receipt of 25 cents.

TAKE YOUR LOCAL PAPER.—A man in Marion county last week saved \$150 by taking his local paper, the Mercury, and there is a man in this county, near Brownsville, who told us, a short time ago, that he had made an 80-acre tract of land by being a reader of the Democrat. He had been wanting for a long time to buy an 80, adjoining his farm, but could get no track of the owner, who was a non-resident of the State, and finally saw it advertised for sale in the Democrat. He attended the sale and bought it for a nominal sum, and is now the owner of it.—Athens Democrat.

Births, marriages and deaths will be inserted free of charge to subscribers to either the DAILY or the WEEKLY ASTORIAN. Births or marriages, when sent in by persons who are not subscribers to the paper, should be accompanied with one dollar, which will be placed to the credit of the party and the paper will be sent to the address for the full amount so paid to us.

WARNING TO DELINQUENT SUBSCRIBERS.—A Russian paper announces that a belief in the approaching end of the world has seized on the Cossacks of the Don. Many, especially aged people, are giving up worldly affairs, wearing a shroud, and ordering their coffins. On every road are men repairing to Moscow to be consecrated priests, in order that the smallest village may have its own priest and church. The Russian paper fails to state whether its delinquent subscribers have taken the scare and paid up. That to our mind would be stronger evidence of the approach of the Millennium than any thing that a superstitious Cossack could advance.
