

The Daily Astorian. ASTORIA, OREGON: TUESDAY, SEPT. 18, 1877. Editor: D. C. IRELAND.

Astoria a Grain Center. We are pleased to hear that a movement is on foot at Astoria looking to the formation of a company with a cash capital sufficient to load at least one vessel a month with wheat to the United Kingdom. This is a step in the right direction.

Brigham Young's "Family." Brigham Young has been the husband of twenty wives. His first wife died soon after his connection with the Mormon church.

Before leaving the palace-car "Bellevue," in which she had traveled through Vermont, New Hampshire and Massachusetts, Mrs. Hayes asked for the silver motto "Welcome to Vermont," and one of the stars employed in the decoration of the interior.

Prof. Marsh, in his Nashville address before the American association for the advancement of science, declared that "to doubt evolution to-day is to doubt science; and science is only another name for truth."
