Cemetery Notice.

The undersigned Sexton of the Astoria Cemetery, in view of the fact that the cemetery grounds are now permanently located, wishes all persons owning lots in the grounds to report the number and block to him; also, all persons, who have buried friends in the grounds at any time, are requested to address him through the Post-office, or call upon him at his office, and furnish him with a list, embracing the name of deceased, age, when buried, the lot or block upon which the burial was made, and such other information as will enable him to bring order out of chaos.

F. FERRELL, City Sexton.

Astoria, Oregon, Sept. 29, 1877.

TO WHOM IT MAY CONCERN.

Notice is hereby given that all persons are forbidden to trespass upon, or in any way encroach upon any portion of the land or beach surrounding TONGUE POINT, or upon any part of the Henry Maria land claim in Clatsop county, State of Oregon, without permission from the undersigned; and also from setting out fires upon said claim, whereby the standing timber may in any way be injured.

INFORMATION WANTED.

NOTICE is hereby given that on the 6th day of November, A. D. 1876, a leather valise full of clothing was sent from Astoria to Oysterville, W. T., addressed to JOHN HAGAN, South Bend.

There being no such person at that place at present and parties being unable to learn any particulars of his whereabouts. Any person able to furnish information regarding him, will please send the same to the undersigned. His valise contains an ARMY DISCHARGE, DATED AUG. 12, 1872.

Which stated that he was a man 27 years of age, 5 feet 7 1/2 inches high, light complexion, blue eyes, brown hair and that he was a sergeant in company M. 34th regiment of cavalry. JOHN R. GOULTER, Oysterville, W. T. Oct. 25, 1877.

HULLLESS OATS.—This variety of oats is claimed to be a hybrid between the California Wild Oats and the common English Oats. They are well adapted to the climate and soil of Oregon. From two pounds I received 45 bushels from Mr. Fisher, of Berks county, Pennsylvania. I have raised One Hundred and Ninety-two Bushels.

The first year I drilled them in; the second year I sowed them broadcast. They are two weeks earlier than any variety yet introduced in this valley. In heavy rich soil they will not lodge, because they grow strong and solid at the roots, and taper towards the head and will stand out equal to wild oats. Twenty pounds to the acre will be ample for rich and clean soil. Sold in parcels to suit customers at 25 cents per pound, and sent by mail or express to all parts of the State and Washington territory on receipt of the money.

ALLEN McDONELL, Du-dux Albany, Oregon.

NOTICE.

Whereas the city of Astoria has by ordinance directed and authorized the issuance of \$25,000 in bonds payable on or before three years after date, with interest at the rate of ten per cent. per annum, payable quarterly, and payable in U. Now, therefore, we the undersigned, Trustees appointed for the purpose, hereby give public notice that we will receive proposals for said bonds from now until Thursday, November 22, 1877, at 12 o'clock M., at the store of either one of the undersigned in Astoria, Oregon. Proposals will be received for bonds from \$50 up to the full amount and must state the highest sum on the dollar parities will take the same for. No proposals will be entertained at less than 22 cents. Bonds to be paid for and delivered as issued by the city.
