RAILROAD SMASH UP IN ARKANSAS.  
BAGGAGE MASTER KILLED AND EXPRESSMAN FATALLY INJURED.  
A CARDIFF STEAMSHIP IN A STORM.  
HEAVY SNOW STORM IN SOUTHERN OHIO.  
THE WORST STORM EXPERIENCED IN TWENTY YEARS.  
RAILROAD TRAINS DELAYED BY SNOW DRIFTS.  
SNOW SIXTEEN INCHES DEEP--DRIFTS OF FIVE FEET DEPTH.  
LOSS OF STOCK ANTICIPATED.  
THE SUCKER STATE ASSEMBLY.  
THE SUCKER GOVERNOR ON RESUMPTION.  
GIVE US A REST.

LITTLE ROCK, Jan. 10.—A passenger train on the Iron Mountain railroad was ditched near Kensett last night. Crawford, baggage master, was killed and expressman Brown is supposed to be mortally injured.

NEW YORK, Jan. 10.—The steamer Rhinamendela, which arrived to-day from Cardiff, reports heavy gales during the entire passage. On the 27th of December her port bulworks and stanchions were carried away, hatches and saloon skylight stove, and everything movable on deck, including the binnacles, were washed overboard. The ship was thrown on her beam ends, and the cargo shifted. It was 60 hours before the ship was righted and cargo secured.

CINCINNATI, Jan. 10.—Heavy snow storm visited southern Ohio yesterday extending far south into Kentucky and on to Richmond, delaying trains on all roads in that region. There are some instances of stopping them entirely. At Marysville the snow is sixteen inches deep, and drifting to the depth of five feet. It is the heaviest storm known for twenty years. Farmers are apprehensive of losing much of their stock.

SPRINGFIELD, ILL., Jan. 10.—The legislature met at noon to-day and the governors message was delivered. It designates the resumption of specie payment "as one of the grandest achievements in the financial history of the nation, and as an evidence of the wise policy and enormous resources of the country."

"Goods speak for themselves," but it is only after they are bought that they can do so. An object in advertising is to induce people to buy them and test them. If goods speak for themselves, a good advertisement may also speak for the goods.

"Do hogs pay?" asks an agricultural correspondent. We know of some that don't. They subscribe for a paper, read it for a few years for nothing, and then send it back to the publisher with the P. M.'s inscription, "refused." Such hogs as that pay nothing to anybody, if they can help it.

To discriminate between what is news and what is advertising in an item is often a difficult task for a publisher. Newspapers, to be on the safe side, must charge when the item brings money to others. Such is but justice, and in compliance with the laws of business, and without this discrimination a newspaper will fail, financially.

CONSTANTINOPLE, Jan. 10.—Matters relating to the cession of Podgoritza have been satisfactorily arranged, but according to a Regusa dispatch, Albanian Notables have declared their intention to oppose the cession by force. The minister of finance has threatened to resign unless the council of ministers immediately take measures for the relief of financial difficulties.

## The Ice Gorge.

Special Dispatch to The Daily Astorian

THE STEAMER DAYTON MAKES A TRIP TO ST. HELENS AND BACK FROM PORTLAND.  
CAPT. HIRAM BROWN ARRIVED AT VANCOUVER ON THE 10TH.  
STEAMSHIP OREGON IN THE ICE AT WILLOW BAR.  
THE ICE PILED UP TWELVE FEET IN THICKNESS.  
PROSPECT OF BREAKING UP.

PORTLAND, Jan. 11.—Capt. Kellogg went to St. Helens yesterday with the steamer Dayton and returned last evening. He reports the river entirely free from ice from this city to St. Helens. There was no ice in the slough, and none in the Columbia, so far as he could see, up and down. The Dayton brought up the mails. Yesterday Pilot Brown arrived at Vancouver from the steamship Oregon, which now lies at Willow bar. Capt. Brown reports the river completely gorged with ice at Willow bar. The Oregon is surrounded by ice, which has been piled up until nearly twelve feet in thickness; however, it is thought that the steamship will not be detained very much longer, as the increased temperature and warm rain will soon cause the ice to give way.

## Pacific Coast News.

Special Dispatches to The Daily Astorian

THE NEVADA SENATE MEMORIALIZE CONGRESS.  
CENTRAL PACIFIC RAILROAD RUMOR.  
HOTEL KEEPER SHOT BY A DRUNKEN FELLOW.

VIRGINIA CITY, Jan. 10.—The senate to-day adopted a joint resolution asking the Nevada congressional delegation to use all honorable means to secure the passage of house bill 2,423, reported to the house of representatives from the committee on education and labor, and such other measures as will tend to check or prevent further importation of Chinese coolies to the Pacific coast.

SAN FRANCISCO, Jan. 10.—An alleged California rumor, which the New York Times gives currency, to the effect that titles to the Central Pacific railroad and its branches are now in the hands of Flood & O'Brien, having been transferred in settlement of borrowed money, is pronounced false by a gentleman who speaks for Mr. Flood.

SANTA ROSA, Jan. 10.—Jack Epperson shot and killed Henry Thomas, of the Veranda hotel in Geyserville last night. Epperson had been drinking and was quite boisterous, and was flourishing a Winchester rifle in the hotel, when he was finally put out of the house by Mr. Thomas. While they were standing on the porch, Epperson raised his weapon and fired, the ball striking Thomas in the abdomen, causing death almost instantly. Epperson undertook to escape but was pursued. During pursuit he fired four shots at the constable, who finally returned the fire, breaking Epperson's leg, and succeeded in arresting him. He is now in the county hospital. Thomas was a well known and highly respected citizen.
