After lightening the steamship Oregon she was got off and taken to Portland.

Curtain will rise at 8:30 o'clock to night sharp, at Metropolitan hall.

So long as storage is cheaper than taxes men cannot be expected to build wharves.

There is no more diphtheria in Astoria. The health officer informs us that no further trouble need be expected.

A large number of seats have been engaged for the grand concert to-night.

It will be seen by advertisement to-day, that it is expected that the Hera will sail for Honolulu on Saturday.

Mrs. R. Watson was a passenger by the Great Republic. Mrs. W. has been spending the winter in California.

Adler has left a list of delinquents at this office to be published on the 1st of March, in case that the accounts are not settled by that day.

"Lucia d Lammamor" and "the Chapel on the Hill." At Metropolitan hall to-night.

Carl Adler has secured the services of an expert watchmaker, and is now prepared for business in that line.

Mr. T. Bailey is again at his post of duty in this city, after a hasty trip to the east. He appears to be very glad to get home again.

Gum boots were necessary with which to "wade" to church in Sunday night, but yesterday was a calm beautiful day, and as clear as a bell.

Don't forget to secure your seat at Wilhelm's, Mrs. Steers, or Dement's drug store for the concert to-night.

A man fell overboard from the boom at Hume's mill yesterday, but by lusty yelling saved himself; as he raised the town, and the town raised him.

Try egg jumbles, banana cakes, nic-nacs, Jenny Land extra soda and pic-nics, if you want anything in the cracker line. To be had at J. W. Gearhart's.

Please be particular to note the sale of furniture at auction by E. C. Holden on Thursday next. Any person wishing a splendid Hallet & Davis piano should particularly note this sale.

The steamship Oregon got aground at the entrance of the Wallanette on her passage up the river to Portland. The Idaho tried but could not pull her off on Sunday.

Dr. Jim showed what lying old rascal he is, in the Police court yesterday. He could not abbe when on the stand as a witness; but after he got off he could talk the English language fluently.

Mr. N. H. Bloomfield will remove his office and residence to Vancouver after this date. Persons having business with the attorney of the 2d judicial district of Washington territory would do well to make a note of this.

The annual meeting of the Pioneer and Historical society adjourned Saturday evening. The officers elected for the ensuing year were T. P. Powers President; S. T. McKean Secretary; A. Van Dusen Treasurer; W. H. Gray corresponding secretary, and a board of delegates consisting of ladies and gentlemen.

Mr. E. P. Thompson's friends are glad to see him back again to web-foot, after a very pleasant sojourn in California. He has resumed his position with Messrs. Badollet & Co.

Cannerymen and business men in general will do well to examine Adler's new stock of Blank-books and Stationery which he bought in the East and offers at less than Portland prices.

Mr. Wm. B. Adair has returned from his winter sojourn in San Francisco. We are pleased to hear from him that we shall have the pleasure of meeting the General (his father) in Astoria again the coming summer.

News reached Portland on Saturday of the most horrible murder of an old lady, Mrs. John Hagar, at a farm house near Milwaukie on the day before. Her husband and daughter were absent at the time. It is supposed that the murderer expected to find considerable money in the house but he only got fifteen dollars.

The ship Annie M. Small, and the ship Prince Amadeo arrived down from Portland yesterday partly laden for sea. The Annie M. Small went to Portland nearly a year ago. She passed Astoria May 21st, 1878; the Prince Amadeo was more fortunate, having passed Astoria for Portland on the 25th of October, 1878, exactly four months ago.

The Bee corrects with respect to the court appointing an attorney for an impecunious criminal. It says that Judge Bellinger sees no appropriation for such purposes and is cognizant of no statute that allows him to grant the \$15. In consequence of this fact few are willing to accept the responsibility, and the acceptance is left to the generosity of volunteers.

The steamship Great Republic has been very materially improved since her last trip to Oregon. She is still in command of the same affable gentleman, Capt. Carroll, and we find Mr. Peck and Mr. Cornwall attending to the duties of purser and clerk. The steamer brought a cargo of 2,800 tons on the present voyage, 320 tons of which was for Astoria; besides 450 passengers.

A subscriber asks: "where will you find a coal mine to develop, near Astoria?" referring to an article in THE ASTORIAN last Sunday. We reply at Oak point, Columbia city, and in the vicinity of Knappe, and on the Nehalem, 25 miles from here. We have not seen either one of the mines, but Hon. Geo. Abernathy, Dr. Caples, Capt. Geo. W. Woods and others have.

Referring to the snow storm in south-eastern Oregon, the State Line Herald, published at Lake View, in Lake county, says that four feet of snow fell at Green springs. The fall of snow at Lake View was very light. The Chewaucan and Summer lake valleys were entirely without snow, and the fall has been so light on the desert that water for stock will be exceedingly scarce.

LODGING HOUSE—Persons requiring furnished or unfurnished rooms can be accommodated at reasonable rates, at Mrs. Munson's Chenamus st., Astoria.

Foreign Exports.

Since the last report of clearances from the Astoria custom house was made for publication in THE ASTORIAN, the following vessels have cleared for European ports with cargoes and values as specified. Shipments from Portland are noted as they occur:

HOPE.

It's hope that keeps us up, It's hope that keeps our memories green, It's hope that makes our lives sublime, It's soap that keeps us clean.

—Stray Gems.

Important to the Ladies of Astoria.

Mrs. A. Ginder, in David Ingalls building, corner of Cass and Jefferson streets, takes pleasure in informing the ladies of Astoria and vicinity that she has just opened a well selected stock of Ladies' goods, to which she invites the attention of purchasers.

Sight is Priceless.

A. M. Kline, manufacturing optician, from San Francisco has opened a branch store on Chenamus street, next door to Dement's drug store, for a short time only, where he will suit all weak, near, far-sighted and cataract eyes with his improved Parabola Spectacles and Eye Glasses, mounted in steel, shell, and gold frames. All persons wishing to improve their sight should call at once and secure a pair of the celebrated Parabola glasses.

Closing out Sale.

Mr. Maurice H. Black, who recently came to Portland from the east for the purpose of establishing a Ladies' underwear manufactory, has concluded to discontinue his business, and is now in the city, selling off the balance of his stock consisting of Ladies' underwear and embroideries at low prices. Ladies call and be convinced. Chenamus street, next door to Dement's drug store.

A correspondent of the Gazette writing from Newport takes Mr. Wm. Reid's Portland board of trade up, and handles it without gloves, on account of neglect to mention the Yaquina bay railroad project. It was indeed a very shabby trick of the Hon. (I) gentleman (I) but, brother Rialto, this is not the first offense of that same individual. Do you see anything about Astoria in that report and yet Astoria last year shipped \$2,255,406 of salmon, flour, wheat, etc., against \$3,974,561 from Portland, or within \$1,419,155 of the full amount sent from the great center around which revolves all the brains, wealth, and we may say snobs of the state.

Send your subscription for the ASTORIAN another year. Help us, that we may continue to help you.
