

The Next International Fair.

New York has concluded to hold an international fair in 1883. Its projectors have selected a site for the same, and the next thing that remains to be done is, to proceed with the erection of the necessary buildings.

Oil on Troubled Waters.

The effect of oil in stilling troubled waters has been so long known that it has been constituted the basis of a proverbial phrase. A very small quantity of oil thus used has frequently overcome a very powerful sea.

A Case of Somnambulism.

Altogether the most interesting case of somnambulism on record is that of a young ecclesiastic, the narrative of which, from the immediate communication of an Archbishop of Bordeaux, is given under the head of Somnambulism in the "Encyclopaedia."

of the young man, where he made the following observations.

The young man used to rise, take paper and write. Before he wrote music he would take a stick and rule the lines with it; he wrote the notes, together with the words corresponding with them, with perfect correctness; or when he had written the words to wide, he altered them.
