Pacific Coast Dispatches.

Dispatches from Gen. Howard announce that the civil authorities fail to punish hostile whites in Umatilla county.

Six of the Alaska's crew attempted to desert a few days ago by swimming ashore at Sitka, having donned life-preservers. They were tracked by Indian runners and captured.

After the Alaska left Sitka on the 20th ult., one Chilicat and three friends of Katlian tore up the large steps of the government wharf, towed them to their lodge and split them up for firewood. They had lately been repaired. The collector, hearing of the outrage, sent for the Indians on the Alaska's return. Katlian's friends fled. He forced the Chilicats to pay the value of the steps to him.

A Distinguished Party.

James M. Tyner, first assistant postmaster general, accompanied by his wife and A. D. Hazen, third assistant postmaster general, and wife, M. V. Bailey, assistant general superintendent of the railway mail service, and Nathaniel Wheeler, of Chicago, left Omaha for San Francisco in a special car on the 15th. The postal officials are on a tour of inspection and will stop at various places en route.

Imperial Consolidation.

The Ottawa Times of the 15th says: "The dominion government, after devising a tariff that operates more injuriously upon British than upon American industry and trade, actually confesses that unless British taxpayers come to its relief the construction of the Pacific railway must be postponed indefinitely, as the resolutions embody a proposition to set aside one hundred million acres of the public domain, with a proviso that \$2 shall be their minimum price. A reasonable inference is that the aid to be solicited from the British government will, in the first instance not fall short of \$80,000,000, the Times thinks that John Bull, in his present mood with Canada's new tariff in view, will say no. The introduction of imperial ideas and plans into the dominion created an ambition to whose demands its resources are unequal. The inter-colonial railway is one of the costly results of imperial interference, the admission of British Columbia another. But for the same baneful influence the Pacific railroad project would not have been dreamed of. It is at once the result of imperial influence and effort to consolidate imperial power on this continent.

Dr. Mintie's Nephreticum—A Compound Extract of Bala.

Dr. Mintie's Nephreticum works wonders. In all cases of Dropsy, Bright's Disease, Kidney, Bladder and Urinary Complaints, or Retention of Urine, these troubles are entirely cured by the Nephreticum. Female Weakness, Gravel, Diabetes, pain in the back, side and loin are cured, when all other medicines have failed.

See what the druggists of Portland and San Francisco say about Dr. Mintie's Nephreticum and English Dandelion Pills.

"We have sold a large amount of Dr. Mintie's medicines: the English Dandelion Pills; also the Nephreticum, and in all cases they are highly spoken of and give entire satisfaction."

John A. Childs, druggist, Second street, Portland.
C. H. Woodward & Co., druggists, corner First and Alder streets, Portland.
Abrams & Carroll, wholesale druggists, 3 and 5 Front street, San Francisco, say:

"We regard Nephreticum as the best kidney and bladder remedy before the public."

For all derangements of the liver, use Dr. Mintie's English Dandelion Pills. For Bileousness and Dyspepsia, use Dr. Mintie's Dandelion Pills. For Fever and Ague, use Dr. Mintie's English Dandelion Pills.

Every family should keep the English Dandelion Pills on hand.

Dr. Mintie's remedies will not "cure all complaints," but if taken according to directions, give immediate relief and perfect a cure in all troubles for which they are recommended. For sale by R. F. Canfield, druggist, Astoria, Oregon.

There have been more cures of semi-nal weakness, nervous debility and paralysis made by the wonderful English Remedy, Sir Astley Cooper's Vital Restorative, than by all other remedies combined. Why will you suffer? Send to A. E. Mintie, M.D., No. 11 Kearny street, San Francisco. Price, \$3 per bottle; four times the quantity, \$10. Try a bottle.
