**A Royal Gift for Grant.**  
NEW YORK, May 29.—A New Haven special announces the arrival there last night of the iron steamer Norman Monarch, 26 days from Constantinople, bringing two handsome gray Arabian stallions given to Grant by the sultan of Turkey. They are in fine condition, and will probably be sent to their owners farm in the west. The Norman Monarch will take back to Constantinople 59,000 stand of arms for the Turkish government. The cargo will be worth about \$1,000,000.

**Horrible Affair in Maryland.**  
HAGERSTOWN, May 29.—At about 2 o'clock this morning fire was discovered in the lower floor of the Washington house in this place. Before an alarm could be given the fire had gained such headway that the flames rushed up the stairways, completely cutting off all escape. There were upwards of 60 persons on the register besides regular boarders, nearly all of whom were compelled to escape by climbing down the porch pillars. Two bodies have been found in the ruins burned to a crisp. There are six persons missing, supposed to be burned and in the ruins. Fifteen persons were injured seriously from falling and about 20 slightly injured.
