

Mixed Religions and Races.

It is probable that there is not in the world any other public or private establishment which presents so many varieties of nationality and religion as the government printing office in Bosnia.

A Stingent Act.

Among the laws enacted by the late legislature of Illinois is one providing that any banker or broker, or person doing a banking business, or any officer of any banking company, who shall receive a deposit when insolvent, whereby the deposit so made shall be lost to the depositor, shall be deemed guilty of embezzlement, and shall be fined in double the amount of the sum fraudulently taken, and also imprisoned in the penitentiary for not less than one nor more than three years.

Tot for Tat.

The new German tariff is augmenting the ill feeling between Germany and Russia, which first became distinctly observable during the Berlin congress and was afterwards so much increased by the precautionary action of the German government during the outbreak of plague.

The "Shenandoah."

Everybody has heard of the Shenandoah, the notorious privateer of the southerners in the American civil war, but I do not suppose that many know what was the ultimate fate of the ship when the war ended.

Dr. Mintie's Nephreticum—A Compound Extract of Buchu.

Dr. Mintie's Nephreticum works wonders. In all cases of Dropsy, Bright's Disease, Kidney, Bladder and Urinary Complaints, or Retention of Urine, these troubles are entirely cured by the Nephreticum.

See what the druggists of Portland and San Francisco say about Dr. Mintie's Nephreticum and English Dandelion Pills.

"We have sold a large amount of Dr. Mintie's medicines; the English Dandelion Pills; also the Nephreticum, and in all cases they are highly spoken of and give entire satisfaction."

John A. Childs, druggist, Second street, Portland.

C. H. Woodward & Co., druggists, corner First and Alder streets, Portland.

Abrams & Carroll, wholesale druggists, 3 and 5 Front street, San Francisco, say:

"We regard Nephreticum as the best kidney and bladder remedy before the public."

For all derangements of the liver, use Dr. Mintie's English Dandelion Pills. For Biliousness and Dyspepsia, use Dr. Mintie's Dandelion Pills. For Fever and Ague, use Dr. Mintie's English Dandelion Pills.

Every family should keep the English Dandelion Pills on hand.

Dr. Mintie's remedies will not "cure all complaints," but if taken according to directions, give immediate relief and perfect a cure in all troubles for which they are recommended. For sale by R. F. Caulfield, druggist, Astoria, Oregon.

There have been more cures of seminal weakness, nervous debility and paralysis made by the wonderful English Remedy, Sir Astley Cooper's Vital Restorative, than by all other remedies combined.

Caught at Last.

A young man from the rural districts came down to town yesterday and from his maneuvers evidently intended to swindle some of our merchants out of a suit of clothes, but he found clothing so very cheap at the I. X. L. STORE, that he made a purchase at once.

If a man in San Francisco or in Oregon, drops in the post-office a letter misdirected or without a stamp, as sometimes happens even with careful correspondents, ten weeks must elapse before he hears anything of it, for it cannot be opened short of the dead letter office in Washington, whither it is sent.
