KENDALL & Co., Gents. - In re-ply to your letter I will say that my experi-ence with Kendall's Spavin Cure has been very substantory indeed. Three or four years ago I procured a bothe of your agent, and with it, cured is horse of hamenose caused by a spavin. Last season my horse became very lance and I turned him out for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ring-bone was forming. I promes a bottle of Kendall's Spavin Gure and with less than a bottle enred so that he is not hame, neither can the bunch be found. Bespectfully yours. P. N. GRANGER Perseverance Will Tell !
