She have specially studied line constitution and wants of this minuscents class, and, as a result of this effort, and practical knowledge, obtained in a literione spent as aurreand physician, she has compounded a Society Syrup, for children techning. It operates like magic—giving rest and health, and is moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winshow is becoming world-renowned as a benefactor of her race; removined as a benefactor of her race; children do rase i r and bless her; especially is this the case in this city. Yast quantities of the Soothing Syring are Darky sold and used here.
