Some say that it is no use for them to advertise, that they have been in the place in business all their lives, and everybody knows them.

By a recent postal decision men can actually make money by getting their bills and statements of accounts printed. Statements of accounts and bills of sale when made out on paper having printed headings, can be sent by mail for one cent, if the envelope is left unsealed; whereas, if it is made out on unprinted paper, it will cost three cents.

All citizens of Oregon who desire to inform their friends in the states of the condition and progress of this state, can have no more complete and comprehensive source of facts to send them than by subscribing for this journal, and having us mail it weekly to their friends. We mail it as directed. For \$5.00 in advance, we mail three copies of THE WEEKLY ASTORIAN one year.
