The statements of this Mormon rophet are continued by affirming To-Night. For the Gennine J. H. Cutter that three commandments were given -Fresh leaf lard at Warren and old Bourbon, and the best of wines, his father Lehigh. He offirms that liquors, and San Francisco beer call they knew them before and had done I This is a longer quotation than I

desired to make but I believe there is o much ignorance on this Morr

question of their first start, that it seems to fall to my lot to quote their surhorized book which, as I before of Mrs. Duniway's New Northwest in her paper of the 10th of February, centioned, was written as a bible recance about the lost tribes, but stoler om the authors widow, and changed y Jo. Smith as far as he dared to d sunt his purpose at that time. Respectfully, etc., W. H. GRAY, Horse Education

In something written we have an distinct recollection of having made derence to a general disposition mong boys in their teens, as well as -oys of maturer years, to enlighter nd bless the world with their proand knowledge of the horse and hi istory. Our books and newspapers e full of this kind of literature, and varies in style from the production the child at school, commencing with: The horse has four legs and tail; up to the eloquent tribute of the schelar when he quotes from Job: That his neck is clothed with thunder and the glory of his nostrils is terrible. He smelleth the buttle afar off, the under of the captains and the Between these two exmes of the child at his first school suposition, and the professional rature, we have every grade of prention, and each professing to have stered the whole subject. As we grouch the close of this nineteenth atury, we begin to look for some ing better in this department of owledge from those who assume to And it is to be found in alls Treatise on the horse, sent mail to any person for twenty-five its, postage paid. Apply to THE TORIAN office, or address D. C. Iread, Asteria, Oregon.

By a recent postal decision men an actually make money by getting heir bills and statements of accounts rinted. Statements of accounts and ills of sale when made out on paper having printed headings, can be sent by mail for one cent, if the envelope left unscaled; whereas, if it is made ut on unprinted paper, it will cost cree cents. Thus by patronizing THE STORIAN two cents can be saved on ery bill or statement that is sent out grough the mail.

camerymen would gain niuch by printing now, to be done leisurely durand money, and avoiding the risks of a spring rush of work.
