KENDALL'S SPAVIN CURE. The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. Also excellent for human feet. Read proof below.

From a Prominent Physician. Washingtonville, Ohio, June 17, 1880. DR. R. J. KENDALL & Co., Gents: Reading your advertisement in The Field and Farm, of Kendall's Spavin Cure, and having a valuable and speedy Horse which had been lame from spavin in either hock, I sent for a bottle by express, which in six weeks restored all lameness and enabled me to ride and a large profit from another horse, and both horses are to-day as sound as ever. The one bottle was worth to me one hundred dollars. Respectfully yours, H. A. BERTOLETT, M. D.

Harrisburg, Pa., Nov. 18, 1880. DR. R. J. KENDALL & Co., Gents: I have a very fine mare that has had a bone spavin for a long time. I tried every thing that man could devise to cure it but all in vain and was about to give it up when a friend of mine in this city came to me and recommended Kendall's Spavin Cure which I tried with grand results, removing the bone clear and clean and then I sent 25 cents for one of your illustrated Horse Books and I think there is no better book printed on the horse and his diseases. I have taken great interest in it and have since sold it copies for you to my neighbors and will try and do what good I can by getting them for others. Yours truly, G. W. MILLER.

Bakersfield, Cal., Dec. 23, 1880. R. J. KENDALL & Co., Gents: I wish to state my testimony in favor of your invaluable Kendall's Spavin Cure. In the spring of 1881 I slipped on the ice and sprained my right knee at the knee joint. I was very lame and at times suffered the most excruciating pain. I wore a bandage on it for over a year, and tried just everything in my power, but could find nothing that would give me permanent relief. When I read of it in your catalogue, I was very much interested, and I would like to say that in April 1885 I began to think I should be a cripple for life, but having some of Kendall's Spavin Cure I bought 1 bottle and I used one half of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend Kendall's Spavin Cure to all who suffer with sprains or rheumatism. Yours truly, Mrs. J. BOETTLE.

It is sure in its effects, mild in its action as it does not blister, and yet it is penetrating and powerful to reach any deep seated pain or to remove any bony growth or any other enlargement, if used for several days, such as sprains, splints, curbs, enlains, sprains, swellings, any lameness and all enlargements of the joints or limbs, or humors in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man, every used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for illustrated circular, which we think gives positive proof of its virtues. No remedy has ever met with such universal success, to our knowledge, for least as well as man.

Price \$1 per bottle, or six bottles for \$5. ALL DRUGGISTS have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors.
