OREGON

## MEN OF MILLIONS.

Americans who are Rolling in Boundless Wealth New York News

000. Next to him comes Jay numerous to mention. not receive a half-column obituary

notice in any morning paper.

a census of the millionaries of New a hundred Chicagoans. York for the year 1881 would aimost need a whole newspaper to do it in. Their name is literally legion. There are scores of them whose wealth cannot be known, because it is invested in such a way that it is not required to pay taxes, and leaves no annual record of itself that can be arrived at.

Denis Kearney called these men whose in the surplus of some importance just now to know what surplus of this surplus of this surplus of the surplus of the surplus of western Oregon at 200,000 tons of wheat, and Mr. Denis Kearney called these men Muir, of the Oregon Railway and the indies in vocal gens. Price of admission remains the can actually make money by getting their bills and statements of accounts and bills of sale when made out on paper having printed headings, can be sent by mail for one cent, if the envelope is left unscaled; whereas, if it is made out on unprinted paper, it will cost the surplus of wheat surplus of the surplus of wheat surplus of the surplus of the surplus of wheat surplus of the first part, and an exhibition equal to any on the result. Mr. Hill incites critically aske money by getting their bills and statements of accounts and bills of sale when made out on paper having printed headings, can be sent by mail for one cent, if the envelope is left unscaled; whereas, if it is made out on unprinted. Statements of accounts and bills of sale when made out on paper having printed headings, can be sent by mail for one cent, if the envelope is left unscaled; whereas, if it is made out on unprinted paper, it will cost the surplus of the Denis Kearney called these men Muir, of the Oregon Railway and out on unprinted paper, it will cost bloated bondholders, and they are, Navigation company, furnishes us three cents. Thus by patronizing The Astronian two cents can be saved on in so far as the latter clause is con- with estimate of the upper Colum- every bill or statement that is sent out and hot water apparatus, furnished cerned. They are men who invest bia section, as follows: There has through the mail. their accumulations in government been stored in Walla-walla twelve bonds, draw the interest regularly, thousand tons, and earlier in the must pay the printer. Whosever the corner, and add it to the principal, and so season it was supposed that the not eternal life abiding in him.
