The Weekly Astorian

Is a mammoth sheet, exactly double the size of the Daily. It is just the paper for the fireside, containing in addition to all the current news, choice miscellany, agricultural matter, market reports, etc.

THE CITY.

THE DAILY ASTORIAN will be sent by mail at 75 cents a month, free of postage. Readers who contemplate absence from the city...

Mr. Oscar I. Clay has bought the Commercial Reporter, of Portland, and will hereafter have complete control of the paper. Mr. Clay for several years has had charge of much of the detail work, and has sufficient experience and ability to conduct the paper so as to fill its field.

Messrs. Leinenweber & Co. have already commenced the construction of two buildings on Sand island for the accommodation of their fishermen. Net racks will also be constructed so that the boats may remain at the island and the fish brought up by the steamers.

As the steamer Columbia neared the dock yesterday, Mr. John Nelson, the efficient boatman was on hand, ready to take the lines as usual. The heaving line accidentally became foul with the keel of Mr. Nelson's boat, and while in the act of clearing it, he was dumped into the river and received a cold bath.

Workmen engaged in grading a lot at Seattle a few days ago, exhumed an Indian skeleton, in perfect state of preservation, within four feet of the back entrance to the house, which was built some fifteen years ago. The skeleton lay stretched full length in an old decayed cedar canoe, wrapped in shreds of decomposed blanket made of cedar bark.

A Blow About Blizzards

The New York Evening Post seems to be trying to find out the origin of the western word "blizzard." Some time ago THE ASTORIAN stated that the word was a corruption of the phrase "blow hard," as uttered by an inebriated Chicago individual.

The Espinosa Concert Company.

As will be seen by the following letter to Mr. Carl Adler, from Manager Stechhan the Espinosa concert company announced to play at Astoria on Monday evening next have been so well received throughout the interior that their entertainment at Liberty hall is postponed until Saturday evening, April 2d.

DEAR SIR: Our company has met with such success in The Dalles and Walla-walla that we were obliged to repeat concerts in both places, and must play, by request, another concert here after returning from the city, March 31st.

A petition from the lodges of Oregon has been forwarded to the supreme chancellor, Knight of Pythias of the world, asking for the institution of a grand lodge for this state. This petition was forwarded about two weeks ago to Judge Lindsay, of Baltimore. It is probable the new lodge will be instituted about the latter part of May.

Sheriff Traxillon, of Baker county, met with a painful accident last week. He was carrying a heavy Colt's navy revolver, 45 calibre, and unintentionally let it drop on the jail floor. It struck on the hammer and exploded, the ball striking him in the fleshy part of the leg and ranging upward passed through. No bones were broken, but the wound is quite painful.

The Dalles Mountaineer says: By later surveys the distance between The Dalles and Portland on the line of the new railroad is materially lessened. Three tunnels have been found to be unnecessary, and the time and labor of completing the road thereby reduced considerably. It is now probable that the road will be almost entirely finished within a year from the present time.

Carl Adler is in receipt of a number of first-class bicycles. Also baby carriages in great variety.

Carl Adler is agent for the best musical instruments on the coast. His large stock is excelled by none, and selling fast.

By a recent postal decision men can actually make money by getting their bills and statements of accounts printed. Statements of accounts and bills of sale when made out on paper having printed headings, can be sent by mail for one cent, if the envelope is left unsealed; whereas, if it is made out on unprinted paper, it will cost three cents. Thus by patronizing THE ASTORIAN two cents can be saved on every bill or statement that is sent out through the mail.

Lawyers briefs printed in fine style, at THE ASTORIAN office.

Some say that it is no use for them to advertise, that they have been in the place in business all their lives, and everybody knows them. Such people seem to forget to take in consideration that our country is increasing in population nearly 40 per cent. every ten years, and no matter how old the place may be, there are constant changes taking place; some move to other parts, and strangers fill their places. In this age of the world, unless the name of a business firm is kept constantly before the public, some new firm may start up, and by liberal advertising, in a very short time take the place of the older ones, and the latter rust out, as it were, and be forgotten. No man ever lost money by judicious advertising.

Syphoa Study Lamp.

Hon. I. W. Case, of Astoria, in placing the new Syphoa study lamp on the market, would call the attention of the trade to some of its merits. Its illuminating qualities are not equalled by any study lamp in use.

Entrance on Benton street. Private boxes on Chenamus.
