

Property in Washington.

Washington is not a commercial or manufacturing city. Its progress does not solely depend upon the business elements that are necessary for the prosperity of other cities.

Anti-Chinese Immigration. The Norwegian ship Beta, Capt. R. Christenson, which lately arrived at San Francisco, brought from Drammen, Norway, a load of passengers for the Hawaiian islands.

The New South.

As the case now stands, the trade of the south is developing more and more. New York is gathering it by steamships. Philadelphia is aiming to tap it by the Sheandoah valley road.

The city of Ohio is situated upon an island of that name in the Mediterranean sea.

Mr. Gladstone denies the statement that he intends to take a sea-trip during the Easter recess of parliament.

To a Friend.

There is no fight between Astoria and Portland, my "Friend;" you will see the argument in our editorial on Washington city-to-day.
