Library of Universal Knowledge, large type, 15 vols, octavo, cloth, St5; balf Russia, gift top, 822 50. Postage 20 cents per vol. 8 vols, issued; vol. 9 in press.

This is a verbatim reprint of the last (1889) London edition of Chambers' Encyclopædia, with copious additions (about 15,800 topics) by American editors, the whole combined under one alphabetical arrangement, with such librarations as are necessary to clocidate the text. It gives an amount of matter about 10 per cent more than Applicators Cyclopædia (price, in cloth, Seo 60), and 20 per cent more than Johnsons Cyclopædia (price Sti 40) in cloth). For the general reader it is undoubtedly the best Encyclopædia ever published, whitever the price.

KENDALL'S SPAVIN CURE Harrisburg, Pa., Nov. 18, U80.

Du. R. J. Kendall, & Co., Gents: I have a very fine mare that has had a bone spavin for a long time. I tried every thing man could devise to care it but all in vair and was about to give it up when a friend of mine in this city came to me and recommended Kendall's Spavin Cure which I tried with grand results, removing that bone clear and clean and then I sent 25 cents to you for one of your illustrated Horse Books and I think there is no better book printed on the horse and his diseases. I have taken great interest in it and have since soid is copies for you to my neighbors and will try and do what good I can by getting them for others. Yours truly.

KENDALL'S SPAVIN CURE ON HUMAN PLESH.

Bakersfield, Vr., Dec., 23, 1878.
B. J. KENDALL & Co., Gents: I wish to add my testimony in favor of your invaluable flaiment, "Kendall's Spavin Cure." In the spring of 182 I slipped on the ice and sprained my right limb at the knee fourt. I was very lame and at times suffered the most exerceinting pain. I wore a bandage on it for over a year, and tried most everything in my reach, but could find nothing that would give me permanent relief. When I overworked, it would pain me very much. In April 1878 I began to think I should be a empte for life; but having some of "Kendall's Spavin Cure" thought I would try it. I used one third of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend 'Kendall's Spavin Cure' to all who suffer with sprains or rhenmatism. Yours truly, Mrs. J. BOUTELL.

Kendall's Spavin Cure Is sure in its effects, mild in its action as it Is sure in its effects, mild in its action as it does not hister, and yet it is penetrating and powerful to reach any deep scated pain or to remove any bony growth or any other enlargement, it used for several days, such as spavins, splints, curis, callons, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for illustrated circular, which we think gives positive proof of its virtues. we think gives positive proof of its virtues. No remedy has ever met with such unquali-fied success, to our knowledge, for beast as well as mm. well as man.
