KENDALL'S SPAVIN CURE

ON HUMAN FLESH.

B. J. KENDALI. & Co., Geats: I wish to add my testimony in favor of your invaluable tiniment, "kendall's Spavin Cure," In the spiting of 1882 I slipped ou the ice and sprained my right limb at the knee joint. I was very fame and at times suffered the most excrueiating pain. I were a bandage on it for over a year, and tried most everything in my teach, but could find nothing that would give me permanent relief. When I overworked, it would gain me very much, in April 1833 I began to think I should be a cripple for life; but having some of "Kendall's Spavin Cure" thought I would try it. I used one third of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend "Kendall's Spavin Cure' to all who suffer with sprains or rhenmatism. Yours truly. Mrs. J. BOLTELL ON HUMAN PLESH.

kendall's Spavin Cure

Is sure in its effects, mild in its action as it does not blister, and yet it is penetrating and powerful to reach any deep scatted pain or to renove any hony growth or any other enlargement, if used for several days, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in main and for any purpose for which a liminent is used for man or beast. It is now known to be the best liminent for man ever used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for illustrated circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified sincress, to our knowledge, for beast as well as man.
