Song of the Albany Beer! Respectfully Dedicated to and Soid by

HAS. GRATTKE, - - - ASTORIA. Good evening kind friends, just listen to me, And when you have heard me, I'm sure you'll agree, will give you a story, and sing it out clear And the name of my song is the ALBANY BEER. You can find it all round in this city of gold, And the way that they make it has never been told.

been told.

That's a secret they keep and hold very dear.

For the whole country is drinking that

ALBANY BEER. The brewery is large and the machinery is And every order is sent to you right up to Time, and from near, And every one's healthy that drinks AL-BANY BEER. BANY BERR.

For every thing there looks so clean and so neat,

And their beer is so sparkling, it cannot be

beat.
If you are feeling bad or the blues do appear,
You can drive them away by drinking AL-BANY BEER. I have an old father, who's now eighty-three, And this is the advice he gave unto me. He spoke to me kindly with a voice bright and clear; "If you want to be healthy, drink ALBANY BEER." Since then I have done so, and I'm hearty and sound, At the round age of fifty I can always be found

At my daily labor before the sun does appear And each day and night I drink ALBANY BEER. Also, on draught, THE CELEBRATED BOCK BEER.
