ES KENDALL'S SPAVINCURE

The Most Successiul Remedy ever liscovered, as it is certain in its effects loes not blister. Also excellent for his lesh. Read proof below.

From a Prominent Physician. Washingtonville, Ohio, June 17, 1886.
DH. B. J. KENDALL & Co., Gents: Rending your advertisement in Tarf, Field and Farm, of Kendall's Spavin Core, and laving a valuable and speedy Horse which had been

a vanishe and speedy roose which had been lame from spavin eighteen months, I sent to you for a bottle by express, which in six weeks removed all launchess and enlarge-ment and a large splint from another horse, and both horses are to-day as sound as catts. The one bottle was worth to me oue hundred sliars. Respectfully yours, H. A. BERTOLETT, M. D. KENDALL'S SPAVIN CURE

Harrisburg, Pa., Nov. 18, 1880.

Dg. B. J. KENDALL & Co., Gents: I have a very fine mare that has had a bone spavin for a long time, I tried every thing man could devise to cure it but all in vain and was about to give it up when a friend of mine in this elly came to me and recommended Kendall's Spavin Cure which I tried with grand results, removing that bone clear and clean and then I sent 25 cents to you for one of your illustrated Horse Books and I think there is no better book printed on the horse and his diseases. I have taken great interest in it and have since sold is copies for you to my neighbors and will try and do what good I can by getting them for others. Yours truly.

KENDALL'S SPAVIN CURE ON HUMAN FLESH

ON HUMAN FLESH.

Bakersfield, Vt., Dec., 23, 1872.

B. J. KENDALL & Co., Gents: I wish to add my testimony in favor of your invaluable liminent, "Kendall's Spavin Cure." In the spring of 18c2 I slipped on the ice and sprained my right limb at the knee joint. I was very fame and at times suffered the most exeruciating pain. I wore a bundage on it for over a year, and tried most everything in my reach, but could flud nothing that would give me permanent relief. When I oversorked, it would pain me very much. In April 1878 I began to think I should be a crapple for life; but having some of "Kendall's Spavin Cure" thought I would try it. I used one third of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend 'Kendall's Spavin Cure' to all who suffer with sprains or rheumatism. Yours Iruly, Mrs. J. BOUTELL. BUILDERS.

Is sure in its effects, mild in its action as it does not blister, and yet it is penetrating and powerful to reach any deep seated pain or to remove any hony growth or any other enlargement, it used for several days, such as spayins, splints, curbs, callous, sprains, swellings, any immeness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liminent is used for man or beast. It is now known to be the best liminent for man ever used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for illustrated circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success, to our knowledge, for beast as well as man.
