On a face of a cake of ink, and with tional story, however, too moral single smorgus table the author many a dash and artistic stroke, Viceroy in Peru in 1630. The Countes

When the war ended, the Confederate Government had on deposit in London, in the Bank of England, several millions of dollars-\$7,000,000 if we mistake not -and the United States Government being aware of the fact, to secure it.

Mr. Seward wished to make a peremptory demand for it, but was dissuaded from such a course by Mr. Johnson, who feared serious complications with England at that time, and so the money has lain there to this day unclaimed, and as it has doubtless been drawing interest, the amount must have enormously increased.

The late flurry in Confederate by the design on the part of the England.

street to the Treasury at Washington would be the proper thing for Mr. Blaine or his successor to insist upon.

## Seandinavian Hospitality.

Scandinavian character seems to be hospitality. Throughout Norway, Sweden and the North the author was heartily received by every one, from the king in his philosopher, everything is a matter
