### DESITATION OF THE SCALP. An Authentic Testimony.

Gentlemen.—For five years I have been greatly troubled with dandruff, with a severe itching of the scalp, and my hair falling out. I have tried almost my hair raining out. I have tried atmost every known remedy, all proving worth-less. Seeing BURNETT'S COCOAINE and BURNETT'S KALLISTON advertised, I procured a bottle of each, and am happy to state that the dandruff is completely removed, and no tiching whatever remains. J. E. tent fever, from which she was freed by the use of the native remedy, the Peru vian bark, or, as it was called in the language of the country, "Quinquina," Grateful for her resovery, on her return to Europe in 1622, she introduced the remedy in Spain, where it was known under various names, until Language called it Cinchona, in honor of the lady more precious than the gold of the Ineas To this day, after a lapse of two hundred and fifty years, science has given as nothing to take its place. It effectu-ally cures a morbid appetite for stimu-lants, by restoring the natural tone of the stomach. It attacks excessive love of liquor as it does a fever, and destroys both alike. The powerful tonic virtue of the Cinchona is preserved in the Peruvina Bitters, which are as effective against material lever to-day as they were in the days of the old Spanish Vierreys. We guarantee the ingredients of these bitters to be absolutely pure, and of the best known quality. A trial will satisfy you that this is the best bifter in the world. "The proof of the panding is in the eating," and we willingly abide this test. For sale by all drangists, grocers and hanor dealers,
