The vessel is built wholly of iron, When in full trim and ready for offense or defense, she is almost entirely under water, the deck appearing just above the surface. She carries but one gun, thirty feet long, with a sixteen-inch bore. The torpedo or shell is twenty-five feet six inches in length, sixteen inches in the lowest dues to enforce ordinances against the lowest due to the point, but the entire is in the DAILX ASTORIAN REFER HALL

| ASTORIA, Nov. 36, 1881 | Charlie | Control | is 130 feet long and twelve feet feet six inches in length, sixteen inches in diameter, weighs fifteen hundred pounds and has a charge of two hundred and fifty pounds of explosive material in the forward end. This tremendous missile is placed in the gun and fired under water, the machinery opening a valve in the vessel for its discharge at the moment the shell leaves the muzzle.

It cars directly through the water at It cuts directly through the water at a velocity of three hundred feet per second, and will go seven hundred feet. It leaves no track, and the submerged sound is unheard by the enemy. There is no device known to nautical science to see it, avoid it or provide against its disclarate which is a provide against its a provide against its said by some, and to demnation. It is said by some, and to demnation. It is said by some, and to demnation. It is said by some, and the same he it is spoken, that the keeping of the present police force in power is necessary to insure the success of the Republican party next June. Out upon an argument, if it can be called by so demnation. It is said by some, and to demnation. It is said by some, and to demnation. It is said by some, and the same he is spoken, that the keeping of the present police force in power is necessary to insure the success of the Republican party next June. Out upon an argument, if it can be called by so demnation. It is said by some, and the since say that the keeping of the present police force in power is necessary to insure the success of the Republican party next June. Out upon an argument, if it can be called by so distributed and a triumph, and argument if it can be called by so distributed and argument. It is said by some, that the keeping of the present police force in power is necessary to insure the success of the Republican party next June. Out upon an argument, if it can be called by so distributed and in the successary to insure the success of the Republican party next June. Out upon an argu discharge when it contacts with a hostile hull. The supposition is that two discharges would sink any vessel that floats. The Destroyer has engines of one flours and horse power, can move faster than any iron-clad afloat, the heaviest shot but glances from her turret, she can sail into a hostile fleet of cipie that only good men should be kept can sail into a hostile fleet of cipie that only good men should be kept cipie that cipie that cipie that contact that the properties than march to victory under the leader ship of men whose record reads as does that of this police force.

Our martyred Garfield and his wife have lifted the family into the high have lifted the family into th she can sail into a hostile fleet of iron-clads hiterto deemed invulnerable, and silently send them the present their of Police? When the present them the present their admitted three years ago that he all to the bottom in thirty minutes without receiving any injury herself. It is claimed that one such

It is reported that the Southern Pacific railroad company is making arrangements for the establishment of a line of steamers between Liverpool and the Gulf of Mexico, to connect with the road, and that the company has ordered 700 combination immigrant-wheat cars, which will carry grain from this SAILORS' & LONGSHOREMEN'S coast to the Gulf and passengers. coming back. The report further states that the rate from Liverpool to San Francisco will be \$35.

ONE thing is to be urged by the people of this section upon the attention of the Congress that meets on the 5th inst. and that is the necessity of declaring the Astoria land grant forfeited, and thus unlocking to settlers and would be railroad builders the immense tract of valuable country now held under cover of a pie crust promise.

## HOLMAN'S PAD.

STOMAGH, LIVER. AND

FOR THE

KIDNEYS

In all cases of billiousness and maluria in very form, a preventative and cure of chills, ever and dumb ague, Dr. Holman's Pad is a serfect success. And for dyspepsia, sick leadache and nervous prostration, as the und is applied over the pit of the stomach, he great nervous center, it annihilates the lisease at once.

It regulates the liver and stomach so successfully that digestion becomes perfect. Prof. D. A. Loomis says: "It is nearer a miversal panacea than anything in medicine." This is done on the principle of absorption, of which Dr. Holman's Pad is the only true exponent. only the exponent.

For all kidney troubles, use Dr. Holman's
Renal or Kidney Pad, the best remedy in the
world and recommended by the medical
