afternoon, two Frenchmen working the sympathetic newspaper man shed rnined by Chinese cheap labor. for Sam Elmore, while drifting in the tears as he waded knee-deep through Dr. Atkinson has secured \$500, to river opposite the old sawmill saw a the used-up paper and sat down on be applied in building a Congregaboat capsized with four men hanging the hed.

to her keel. There was a heavy sea at the time, but with characteristic bravery, the two men, unmindful of the great danger they were incurring. went to the rescue: they succeeded in saving all four, and in place of certain death the rescued party had nothing more serious to suffer than a cold bath and a fearful fright. The names of the gallant men are Gustave Bodros, and Chas. Guilliaume, and they deserve the warmest commendation for their fearlessness.

## The Bar Signal Station

Preliminary appropriations were They are about here somewhere," and made last fall in reference to estabtishing a signal station at or near the Columbia river bar. Considerable who had fallen by the wayside. The difference of opinion prevailed at the Judge's lips moved faintly as he said:

time, some maintaining that the line "I will get it in the Spring." should run from here to Fort Stevens, "How long do you propose to keep and thence to Tillamook rock; others, and among them several captains and masters of vessels, thought that it answered Mr. Buchanan. "If we die would be of more practical avail if the in the attempt you will find memoranstation was directly at Cape Hancock. da for our obituaries on the mantel," Operations were begun on the north and he dropped back to his sketch side of the river, surveys being made work as he spoke. from Oak Point south, where it was
