The Supper

The culinary skill displayed by the Hon, F. J. Taylor goes to the ladies of the Presbyterian church met with a generous respone at Liberty Hall last evening, on the part of those who appreciated the good things would ask relative to a region whither so bountifully set forth. Clamchowder, he contemplated migrating: when made in such a skillful manner, wood, 55s., U. K; Viola, iron, 57s. is always in order to stay a hungry stomach, and when reinforced by Dr. W. D. Baker leaves this all the ranks of dishes that found morning for an extended trip east of their way on the table yesterday evening, and served by fair hands, must be voted as being more than ordinarily attractive. The hall was tastefully decorated, the captain of the Astoria kindly lending a full set of ship's colors, including a splendid flag Albany foundry, died at that place with ASTORIA in mammoth letters on its starry folds. Gastronomically as well as financially, the supper was showers and sunshine, and the air a success, and the ladies desire to return thanks for such liberal appreciation of their efforts.

BUENING SPRINGS, W. Va., / September 2, 1882.

Being desirons to emigrate to Oregon, and especially to Astoria or its
vicinity, and desiring information, we know of no better means of obtaining it than writing to you. Friends there

Reitish territory. During its course

Idaho. Its course is in the snape of the use of the native remedy, the Peruvian bark, or, as it was called in the language of the country, "Quinquina."
Grateful for her recovery, on her return to Europe in 1622, she introduced the remedy in Spain, where it was known under various names, until Linnaus called it Cinchona, in honor of the lady who had brought them that which was have sent us from time to time, copies of your paper from which we have learned much of your city and state, and that has increased our desire to go there, but there are many questions we should like to ask, most of them personal to ourselves, which we shall be very grateful to you if you will have the kindness to answer by letter or have sent us from time to time, copies of British territory. During its course the kindness to answer by letter or otherwise. * * * Is there a desirable opening for young men with

capital at Astoria, or would you name a more desirable point? If not, would we endanger ourselves and families by moving there with a view to engaging in some other business? Would you state the probability of our finding immediate and profitable employment there! Is there an opening in the lumber business with a fair amount of capital? Is there still much government land open to preemption and that is of such a quality and location as to be desirable! Is stock-growing in Oregon profitable, especially sheep? Is farming there a profitable business, and is there a for the weak and rest to the weak and rest to the weak and rest to the seal and rest to t home or foreign consumption of farm a harmless diarrhea cure that don't products! Convincing

In offering to everyone throughout the land a trial bottle of Syrup of Figs free of charge the California Fig Syrup Company is fully aware that it were folly to do so if the new remedy did not possess greater merit than any other article ever offered as a cure for biliousness and constipation. But knowing who takes it of its efficacy, and make another friend for the remedy which is destined to become universal, they wish that every dose will convince the one everyone to try it. Mr. W. E. Dement, Druggist is agent for Astoria. Hodge Davis & Co., Wholesale Agents, Portland Oregon.
