This morning's dispatches say that Mr. Smith voted against Mitchell. It is a wellknown fact that nine-tenths of Clatsop county are in favor of having Mitchell senator; it was Clatsop county that gave Mr. Smith his majority, and if he wishes to represent the men that sent him there he should vote for their choice. This is as it appears to us. We are either right or wrong. We care no more for Mitchell than for any of the candidates that have been given the questionable compliment of a transitory vote from the eighteen, and in saying what we do we enunciate what is unition, and voice the sentiment of this part of the state.
