ISSUED EVERY MORNING. J. F. HALLORAN & COMPANY, PUBLISHERS AND PROPRIETORS.

Terms of Subscription: served by Carrier, per week, 25 Cents; sent by mail, four months, \$1.00; sent by mail, one year, \$3.00.

Snow on the mountains across the river. Gov. Newell will visit Oysterville, Ilwaco and Astoria this week.

Theo. Broecker has moved into his new hotel - The Astor House.

E. C. Holden advertises an auction sale of real estate next Tuesday morning.

Information regarding the future movements of the Gen. Miles will be found in another column.

The contract for the erection of gas works by the Astoria Gaslight Company was signed yesterday afternoon.

Gus. Anderson fell into a barrel of hot water at a Seattle barrel factory, last Wednesday, and was scalded to death.

The boat shops are busy turning out a fine class of work. Howe is working on an order of fifty odd, which will keep him busy for some time.

Gustav Hansen has a stock of jewelry that for elegance of design and beauty of workmanship would be hard to equal.

Among other Astoria manufactures, it must not be forgotten that engines and boilers are now built here; and steamboats who want such work can be accommodated without going further.

The need of a first-class flouring mill in Portland, is a pressing one, says the Oregonian, and the same may be said of Astoria. No enterprise would be more advantageous, or more to the mutual advantage of all than such an undertaking.

The Boston Comic Opera Troupe will appear in their musical extravaganza this evening. "The Magic Doll" is pronounced to be well worth seeing by the press of the interior.

The Mississippi, Shubrick and Alden Besse, went to sea yesterday. The Tinaru and Heien Denny started out in tow, and probably got out.

The Carrie Delap went to Portland. The Fanny Dutar is at Knappa. The Lucania and Robert Dixon cleared for U. K.

To-day we present the full text of the pilot bill, as approved by the governor. It gives Astoria a black eye, but as long as Clatsop county fails to exert its rightful influence in legislation so long will it be as at present. 'Tis a costly lesson and should be a salutary one.

The wet weather interferes with out-door work. The Odd Fellows building is delayed on account of difficulty in getting bricklayers. Seven dollars a day was offered in Portland for men to come down and go to work, but bricklayers are in such demand that it is hard to get them.

It will cost three cents for one of the new postal money orders for a sum less than \$5, and the service is so extended as to raise the limit of orders from \$50 to \$100. Persons will not be required to fill out a blank, but will receive an order payable to the bearer at any desired money office.

Social this Evening. Ed ASTORIAN: A social will be given this evening at the house of E. R. Hawes, under the auspices of the Parish Aid Society of Grace church.

HOW WOMEN VOTE. Were women allowed to vote, every one in the land who has used Dr. Pierce's "Favorite Prescription" would vote it to be an unfailing remedy for the diseases peculiar to her sex.
