The assessment of the world's population "enjoys" life that is mere existence, liberty to toil for the enrichment of their masters, and such happiness as can be found in incessant drugery and hopeless poverty. In a world in which all men are created with equal rights, a world in which, by the law of God or nature, every man has a right to himself, and to the products of his own labor, human systems and laws give all that is bright and pleasant to the few, all that is dark and hard to the many.

THE high-toned scions of aristocracy resident in Baltimore, whose ancestors sold rum and bartered tobacco and molasses, are organizing a "society" in which the members must individually have lineage as a warrant for admission. It is the first attempt for half a H. B. Parker..... be jeered out of existence like its M. M. Gilman... predecessors.

A census of China, in the sense Joh Ross credited that the population of the country numbers 400,000,000 souls. Recent opinions, however, C. Boelling given by well-informed writers, declare that the population of China proper is not to exceed 250,000,000.
