

**To Be Kept in Mind.**

The importance of the great work of improving the navigation of the second river on the continent, which drains an area of country nearly 300,000 miles square, must not be lost sight of in the bickerings of local contests. Every resident of eastern Oregon and Washington is directly interested in this great enterprise. It is the outlet of this vast empire, which is as productive as any part of the continent and only lacks the means of transportation to make it attractive to all those seeking homes. Since the O. R. & N. P. have completed their roads into the interior, large tracts of land have been occupied and when water competition shall have so regulated fares and freight as to make them compare with other lines of traffic, the influx of population will be much greater. The work is sufficiently far progressed to make its completion a question of little doubt. The government having spent half a million dollars upon these locks, will not abandon them now, especially when the demands of this section are so urgent. In two or three years, with appropriations as liberal as the last one, the locks at the Cascades will be completed, or so near completion as to make them available for trade, and we can reasonably hope that the next congress will appropriate as large an amount as the last one.—*Times-Mountaineer.*

Dennis Donovan died on the 20th, at Natick, Mass., of erysipelas of the brain. Donovan covered 50 miles in 6 hours and 18 minutes, a record never beaten.

**No Whiskey!**

**BROWN'S IRON BITTERS** is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

**BROWN'S IRON BITTERS** is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. Rice, editor of the *American Christian Review*, says of Brown's Iron Bitters:

Cin., O., Nov. 16, 1881.  
Gents:—The foolish wasting of vital force in business, pleasure, and vicious indulgence of our people, makes your preparation a necessity; and if applied, will save hundreds who resort to saloons for temporary recuperation.

**BROWN'S IRON BITTERS** has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.
