tired of sending away tens of thousands of dollars in insurance premiuma at enormous rates, and do just as our neighbors on the Sound are doing.

-In Portland, flour is worth \$4.50 @\$4.75 per bbl.; wheat \$1.60 per cental; timothy hay, baled, \$18 to \$25; cheese, \$16@18 cents; hams 16 to 18 cents; bacon 15@18c; potatoes about a cent a pound. In Astoria, flour is \$5.25 a barrel, wheat is not sold in very large quantities, but is worth all you can get for it; cheese is 20 cents a pound, hams 20 cents a pound, bacon 18 cents, potatoes a cent and a half.

-L. A. Loomis received a telegram from Washington, yesterday, making him an offer to carry the mail from here to Olympia, which offer he accepted. This will give our Pacific county neighbors their regular mail once more. There has been a great deal of inconvenience consequent upon the interruption. One letter which had to be sent from Ilwaco.to

Bay Center, cost the Ilwaco Steam Navigation Co. \$13.

For Twenty-Six Years.

There is a stage driver at San Jose, Cal., who has been driving over a little bit of road from San Jose to Almaden, ever since 1856. 'Tis only thirty miles, and for twenty-six years he has been over that thirty miles of road twice a day. Nearly ten thousand times over a thirty mile stretch; it must be fearfully monotonous. Other men have started business and made money and got married and had reverses, and been "broke," and then doubled back and broke again then doubled back and broke again and got ahead and traveled and seen ups and downs as all Pacific Coasters do, but that man has sat on the box and driven back and forth, back and forth, back and forth for twenty-six years. It must be that he has no brains; had he brains he would have gone crazy twenty years ago; it is gone crazy twenty years ago; it is very much to his discredit that he should remain same and drive over thirty miles of a stage road twice day for twenty-six years
