

The Daily Astorian.

ASTORIA, OREGON
SUNDAY, JANUARY 14, 1883
JUST SO.

Of course I do not mean that man will not produce more in a week by working seven days than by working six days. but I very much doubt whether, at the end of the year, he will generally have produced more by working seven days a week, and I firmly believe that, at the end of twenty years, he will have produced less by working seven days a week than by working six days a week.

SEEK

health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't you rather feel fresh and strong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of BROWN'S IRON BITTERS, and taking it regularly according to directions.

Mansfield, Ohio, Nov. 25, 1881. Gentlemen:—I have suffered with pain in my side and back, and great soreness on my breast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appetite.

BROWN'S IRON BITTERS is composed of Iron in soluble form; Cinchona the great tonic, together with other standard remedies, making a remarkable non-alcoholic tonic, which will cure Dyspepsia, Indigestion, Malaria, Weakness, and relieve all Lung and Kidney diseases.

A single box has cured the worst chronic cases of 20 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electricities do more harm than good. Read what the Hon. J. M. Coffinbury of Cleveland, says about Dr. Williams' Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. Williams' Indian Ointment.
