Mansfield, Ohio, Nov. 26, 1821.
Gentlemen: —I have suffered with pain in my side and back, and great sortness on my breast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appetite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spiere, but I got no relief. I thought I would try Brown's Iron Bitters: I have now taken one bottle and a half and am about well—pain in side and back all gone—soreness all out of my breast, and I have a good appetite, and am gaining in strength and flesh. It can justly be called the king of medicines.
