Some One Lied.

A lively discussion took place in the council last night over the nomina tion of Cant. Pease for superintendent of the city dredger. Mr. Adamstated that it had been reported that the captain had been discharged from the Pioneer for incompetency. Mr. Hewitt pronounced the report a lie and said the captain resigned, as he did not want to do har duty, but preferred the river. Mr. Hewitt said that he forced Capt. Pease to take the Pioneer by threatening to prevent him from taking a river branch fron. the pilot commissioners. He knew Capt. Pease to be a competent man. while Cant. Coombs, now in charge, did not know anything about the dredger. Capt. Pease was finally confirmed with one dissenting voice .-Standard, 8.
