ASTORIA, ORFGON:

WEDNE DAY PERBUARY 14, 18-3

No Place for Him.

There is a man down in Shasta county, Cal., who is both honest and sensible. He was elected road overseer at the late election, but immediately thereafter Tound that he had "bitten off more than he could chew." He therefore refused to file his official bond, and sent the following letter to the board of supervisors:

Dear Sirs: I send back my bond blanks without filling them. I can't fill them in my district without selling myself or stealing, and I don't propose to do either. In my district there are sixty-five miles of the worst roads in Shasta county, and only three hundred dollars of a tax to put on them, and forty-five dollars to the general fund, and my years wages to come out of that. Now I have to give two thousand dollar bonds to keep the roads in passable order, I have no tools to work with, no powder to blast with, and no road fund to buy them with. There are four roads in district No. 10 which will make seventy-five miles in length, and it will take two thousand dollars this year to put and keep them in order as the law and my bonds bind me to do; so you see I will have to work for nothing. All the money in the district win't buy my tools and feed my horse, much less pay my wages; so the board can appoint some man to steal the tax and let the roads go to the devil or somewhere else, as they have been obliged to do. Yours forever, WM. H. TUSSLE.

### Oh. My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich.

> Wm. P. Marshall, of Logansport, Indiana, writes: "My wife has for many years been troubled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters. and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medicines she has tried."

Leading physicians and clergymen use and recommend Brown's Iron Bir-TERS. It has cured others suffering as you are, and it will cure you.
