Lint's a common expression and has a world of meaning. How much suffiring is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as BROWN'S IRON BITTERS, and it does this by commencing at the foundation, and making the blood pure and rich.

> Wm. P. Marshall, of Logansport, Indiana, writes: "My wife as for many years been trouided from pain in her back and general debility incident to her sex. She has taken one bettle of Brown's Iron Bitters, and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medi-cines she has tried."

Leading physicians and clergymen use and recommend Brown's Iron Bir-TERS. It has cured others suffering as you are, and it will cure you.

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEU MATIC AND GOUTY PATIENTS. SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gont and Neural-gia, while so many so-called specifics and surposed paraceas only treat locally the effects.

It has been conceded by eminent selentists that outward amplications, such as a pobling that outward applications, such as rubbing with oils, old ments, liniments, and soothing lotions will not eradicate these diseases

SALICYLICA works with marvelous
