coming steamer.

-There will be a special auction sale at Holden's addition to morrow morning. See adv.

praises, fill many mouths.

the late M. W. Gallick, of this city, is regis'ered at the Occident. -It is thought that 5,000,000 feet

of lumber will be required for the Kalama bridge. A big contract for somebody.

Young America's cargo. -An angler's camp will be one of

the features of the American department of the International Fisheries Exhibition to be held in London the present year.

orossed out yesterday. The Jeanie and Berwick Law are on the way.

-Piles are being driven to the number of 100 in the vacant lots between Ike Foster's and the Campi Restaurnt. A building 50 x 75 and similar in appearance to the one new occupied by J. E. Thomas will be erected forth-

-The Fleetwood steamed down to Fe, New Mexico. LaFayotte street dock yesterday afternoon to have a new propeller put in. This propeller was recently sent out from Ohio, and is a peculiar pattern. Capt Scott is going to give it a tendence is desired.

-The News suggests to the Port-

- From the Forpostin a resident of this city compiles that during 1882 there were received at the fish market in Gottenburg, Sweden, 326,500 fresh 110,200 barrels herring.

-The Dispatch goes down this morning with the cable for a portion of the line. There is thought to be enough on hand for Young's river, Lewis & Clarke, Skipanon, and on the Washington Territory side the Wallicut and Chinook rivers. The cable for the Columbia has not yet left New York. That which is here will be put in place.

-Twenty years after Washington was born, England and her colonies adopted the Gregorian calendar, which was eleven days in advance of prior to 1752 are counted eleven days ahead of the date they actually occurred. Washington was born on February 11th, O. S., but his birthday rest of the transfer.

of Nevada is practically unlimited. meet on the 3rd of March, The success of the business depends wholly upon how the market is cultivated .- Reno Gazette.

-In some unaccountable way a mistake occurred in yesterday morn ing's issue, wherein it was stated that the Queen left San Francisco on that date. It was an error. The Queen left on Wednesday, and will arrive here to-day. As this is the first time in seventeen months that anything of the kind occurred we trust the unintentional transposition of dates will be overlooked. The mistake was not discovered until the entire edition had been printed and a portion of the outside forms distributed.

An interested and interesting crowd and abstracting sundry property.

question from carrying out his declared intention to shoot.

## Our collection of curiosities has been

from Mr. J. G. Ross, The barge Autocrat is having a stone implement which he relarge cargo stored aboard, 4,000 cases cently plowed up at a depth of six coal oil went on yesterday, part of the inches. It is of granite and was evidently used for bruising and grinding the simple grains from which the Remaining uncalled for in the Postancient residents of this coast, the office at Astoria, Oregon, February first families as it were, derived their nourishment. It is about a foot long, and three inches thick, and when the interest that its novelty arouses has -The Galatea and Lanarkshire died away, will come handy as a weapon of defense should occasion Landless came down with 63,926 unfortunately require. It bears the bushels wheat. The Henry Villard marks of use, and one can readily imagine the Neolithic man who desirous of his fmorning samp or vesperian cassava induced the partner of his joys and purveyor of the cuisine to prepare the toothsome mess. Is will remain on exhibition one week only (not including Sunday) and
