

The Daily Astorian.

ASTORIA, OREGON:

SATURDAY, MARCH 3, 1883

The Chinese Plan.

A young St. Louis doctor, tired of waiting for patients and of starving, published the following card: "Family practice contracted at the rate of \$4 per year for each person, payable one-fourth at first visit, when date of contract begins; one-fourth in six months, one-fourth in nine months, remaining one-fourth at end of year. Confinement and surgical operations extra." Business, he says, is just booming in consequence. He already has thirty-three families, averaging five in number, under contract, and over one hundred more promised whenever they shall need a doctor. So he has \$700 assured him and over \$2,000 more in prospect. He collects quarterly. There are extreme cases both ways. In some he has not been called to a single case; in another he has already made \$150 worth of visits in four months, and will receive only \$12 for the year from the family of three. It is simply medical insurance for one year at \$4 per head. The medical society threatened to expel him, but he attended the meeting and cited the name of one of the most distinguished physicians with a school, and they concluded to let him alone.

It should be accepted as an axiom in morals that a duel with axes, in a dark room, such as was recently fought in New Mexico, cannot properly settle any kind of a dispute.

The Lowell, Mass. Courier says: The leading properties of St. Jacobs Oil are becoming better known every day, and its sale is increasing correspondingly.

Persons recovering from wasting diseases, such as malaria, fevers, etc., will be greatly benefited by the use of Brown's Iron Bitters, a true tonic.

Failing!

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is BROWN'S IRON BITTERS, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why BROWN'S IRON BITTERS will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, malaria, intermittent fevers, &c.

Mr. Simon Blanchard, a well-known citizen of Mayville, Meade county, Kansas, says: "My wife had been sick for a long time, and her constitution was all broken down and she was unable to work. She was advised to use Brown's Iron Bitters, and found it to work like a charm. We would not now be without it for any consideration. It is the best medicine in the world."

BROWN'S IRON BITTERS is not a drink and does not contain whiskey. It is the only preparation of iron that causes no injurious effects. Get the genuine. Don't be imposed on by imitations.

SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

SALICYLIC A. is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions, will not eradicate these diseases, which are the result of the poisoning of the blood with Uric Acid.

SALICYLIC A. works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 90 per cent cures in three days.

REMEMBER

that SALICYLIC A. is a certain cure for Rheumatism, Cough and Neuralgia.

The most intense pains are subdued almost instantly.
