ASTORIA, OREGON:

WEDNESDAY.....MARCH 14, 1883

Oregon Crops.

The acreage of wheat this year is about 23 per cent. greater than last season. In the Willamette valley, 10 to 15 per cent., and in the region east of the Cascade mountains (Oregon and Washington), 25 to 30 per cent. Probably one-fourth of the growing wheat of the Willamette valley was killed by the freeze last month, but the ground was left in as good condition as if it had been fertilized. The cold was followed by two weeks sunshine, and about one-third of the fields were reseeded, some with winter and some with spring wheat. Probably 80 per cent. of the frozen-out-fields will be reseeded by the end of this week. In Eastern Oregon and Washington the prospects were never better. Cereals have been protected with heavy snow all winter, and the season throughout has not presented an unfavorable feature. There is not a bushel of surplus wheat in Oregon, Washington or Idaho. The demands of sixteen to eighteen thousand men employed in railroad work and of the steady immigration for seed and bread, have exhausted the store, and millers will have scarcely enough to keep their machinery running until the new crop is harvested. It is not unlikely that flour will have to be imported from California before July 1st.

The fastest train in the world is the Flying Dutchman, which runs from London to Swindon, at the rate of fifty-three and one-half miles an hour on a seven foot gauge road. In this country the fastest trains are those run between Philadelphia and Jersey City.

Prof. Will S. Hays, Louisville, Ky., the author of many sweet melodies, says he regards St. Jacobs Oil as the standard cure for rheumatism and kindred diseases.

Composed of the best known tonics, iron and cinchona, with well known aromatics, is Brown's Iron Bitters. It cures indigestion, and all kindred troubles.

—Will you suffer with Dispepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you. Sold by W. E. Dement.

SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid

SALICYLICA works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent cures in three days.

REMEMBER

that SALICYLICA is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly.
