ASTORIA, OREGON:

WEDNESDAY.....MARCH 21, 1883

The Iowa Decision.

An Iowa temperance paper thus states the causes which led to the late decision averse to the prohibitory amendment in that state: "The clerical blunder which caused the defeat of the constitutional amendment, was made four years ago, or by the legislature preceding the last one. The fatal points in the amendment case were: 1. The proposed amendment that passed the senate contained the words 'or to be used.' A senate clerk in copying it omitted those four words and sent his defective copy to the house, which adopted the defective proposition, hence both houses did not adopt the same amendment, as the constitution itself provides. 2. This same senate clerk, in making up his journal entry, failed to record on his journal the names of senators voting for and those voting against the proposition, as the constitution itself provides shall be done. This one man by his carelessness defeats the will of the great majority of the people of Iowa.

The Waitsburg *Times* says: James S. Murphy announces that he will fight McDonald or any other man in Washington Territory for the sum of $1,000, sixty days after signing articles. He says this is business and not "moonshine on a teaspoon." Anybody wanting and meaning business will oblige him by calling on Red-Handed Mike at Spokane Falls, and he will find men and money ready.

Mr. S. A. Curtis, of the Washington D. C. Swimming School, was cured by St. Jacobs Oil of very severe chronic rheumatism which often assumed the inflammatory type.

After giving the OREGON BLOOD PURIFIER a fair trial, I have found, that as blood-purifier and reconstructor, it is what it claims to be, and gladly recommended.

No Whiskey!

BROWN'S IRON BITTERS is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

BROWN'S IRON BITTERS is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. RICE, editor of the *American Christian Review*, says of Brown's Iron Bitters:

Cin., O., Nov. 16, 1881.
Gents:—The foolish wasting of vital force in business, pleasure, and vicious indulgence of our people, makes your preparation a necessity; and if applied, will save hundreds who resort to saloons for temporary recuperation.

BROWN'S IRON BITTERS has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.

SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid

SALICYLICA works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent cures in three days.

REMEMBER

that SALICYLICA is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly.
