Bad Break Down

Last Monday, says the Coos Bay News, Dean & Co.'s mill was running on logs put in at Bunch & Blaine's camp, when the saw encountered a piece of broken "dog," two or three inches long, which had been left near the end of a log. Everything was brought up a-standing all of a sudden, and a 62-inch saw, worth \$350, was so broken and twisted as to be rendered entirely worthless, and the total damage to machinery, loss of time, etc., footed up fully \$500. Fortunately, and almost miraculously, no greater damage ensued no one was injured. A duplicate of the saw was brought into requisition, and Tuesday morning the mill was running as usual. A new saw has been ordered. The man who left that iron in that log should be ashamed of himself. In addition to the expense and trouble he has caused the mill company, it is a wonder that he did not cause the killing of one or more persons. Such things result to the detriment of the logger, who indirectly and finally comes in for his full proportion of the expense.

The number of able-bodied men in the United States, liable to militia duty and capable of being transformed into soldiers is estimated at about 7,000,000. The actual muster of militia throughout the country is 87,614. About 700,000 veterans of the late war, from both northern and southern armies, are still sound enough to take the field.

No Whiskey!

Brown's Iron BITTERS is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

BROWN'S IRON BITTERS is guaranteed to be a nonintoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. RICE, editor of the American Christian Review, says of Brown's Iron Bitters:

Cin., O., Nov. 16, 1881. ing of vital force in business, pleasure, and vicious indulgence of our people, makes your preparation a necessity; and if applied, will save hun-dreds who resort to saloons for temporary recuperation.

BROWN'S IRON BITTERS has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.

OREGON BLOOD PURIFIER, I have obtained the most satisfactory and quickest result from the remedy ever know, and send me some more per Wells, Fargo & Co. for sick friends.
