ASTORIA, OREGON: FRIDAY.....MARCH 20, 1883

Lights on the Columbia.

Capt. Geo. T. Davis officially announces that there has been established on the Columbia river, the following lights, which will be lighted on the 1st day of April next.

On Savie's Island, Oregon, one-half mile above Reeder's Landing, a white stake light. This light marks the turning point for the upper end of Willow bar.

On Savie's Island, Oregon, at Henri's landing, four miles above Warrior's Point, a white stake light.

Martin's Island, bar range lights.

On Martin's Bluff, Washington territory, two white lights on tripods, white targets for day ranges.

At Hunter's Landing, Oregon, one-third of a mile below Tide creek, a white light on a tripod to mark the channel above the head of Sand Island.

Walker's Island, bar range lights, on the bluff, one third of a mile below Rinearson's house, two white lights on tripods, with white targets, for day ranges.

At Waterford, Washington territory, on the bluff above the cannery, a white stake light, to mark the channel across the river at the upper end of Paget Island.

The stake lights at Tongue and Harrington points, Columbia river, which were established on the 18th of January last, have been changed from red to white lights.

"On the Hip."

This rather inelegant expression, used popularly to indicate that condition of things in which one person holds another securely by some circumstance, word or act, finds literal exemplification in the following narrative by Mr. John Rourke, of Ottawa, Canada. Mr. Rourke says: I have been subject to hip disease for 8 or 9 years, and have tried all kinds of remedies, but found nothing to give me any relief until a friend advised me to try St. Jacobs Oil. I tried it, and after using 1 1/2 bottles I am entirely relieved of pain, and have not been troubled since, now nearly six months. This is what people would call getting hip disease "on the hip."

STRONG FACTS!

A great many people are asking what particular troubles BROWN'S IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases. Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism. Baltimore, Md., May 7, 1880. My health was much shattered by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to attend to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all. I cannot say too much in praise of it. Mrs. MARY E. LEACHMAN, 173 Fremont St.

Kidney Disease Cured. Charleston, Va., 1881. Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, had an appetite and did not seem to be able to eat at all. I gave him Iron Bitters with the happiest results. J. KYLIE MONTGOMERY.

Heart Disease. Vine St., Harrisburg, Pa., Dec. 2, 1881. After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two bottles and never found anything that gave me so much relief. Mrs. JESSIE HESS.

For the peculiar troubles to which ladies are subject, BROWN'S IRON BITTERS is invaluable. Try it.
