ASTORIA, OREGON:

SATURDAY MARCH 31, 1880

Pacific Railroads.

SINCE the Central and Union Pacific roads were built fourteen States. years ago, that route being the only transcontinental one, has been a the power of organized greed, is mint to its owners. Though the pproaching, not alone in our sa- LOVE, COURTSHIP AND rolling stock was poor, the accommodations execrable, the fare ex- of America so organize themselves orbitant and the time made wretchedly slow, yet it collected all the tolls of a traveling nation along that line of travel. The original owners of the Central Pacific have built the Southern Pacific out of the earnings of the former, and are now preparing to withdraw grain trade of the Pacific States

of America so organize themseives and themseives and themseives and themseives and they and their fathers have stood before, for the rights of man and the dignity of human nature.

The Sun thinks that whether the Panama or the Nicaragua canal first reaches completion, the grain trade of the Pacific States

Of America so organize themseives and themseives and themseives and they and deliver three consecutive Lectures on Lectures commence at 2% o'clock.

Whole course their evening lectures, six lectures, three delivers, six lectures, three delivers, six lectures, and therefore on the rights of man and the dignity of human nature.

The Sun thinks that whether the Panama or the Nicaragua canal first reaches completion, the grain trade of the Pacific States

Single admission, to consecutive Lectures commence at 2% o'clock.

Whole course telectes, six lectures, three delivers, six lectures, and their provengent and for spring stock.

Whole course telectes, six lectures, on the consecutive Lectures as 8 o'clock.

Whole course telecters, six lectures, three delivers, six lectures, three delivers, six lectures at 8 o'clock.

Whole course telecters, six lectures, three delivers, six lectures at 8 o'clock.

Whole course telecters, six lectures, on the consecutive Lectures commence at 2% o'clock.

Whole course telecters, six lectures, on the fectures, six lectures at 8 o'clock.

Whole course telecters, six lectures, on the fectures, six lectures, and for spring deliver three consecutive Lectures commence at 2% o'clock.

The Sun thinks that whether the remaining and for spring deliver three consecutive Lectures at 8 o'clock.

The Sun thinks that whether the remaining and for spring deliver three consecutive the consecutive the are now preparing to withdraw grain trade of the Pacific States from control of the old route and will evidently be a great gainer, turn it over to the government for and will show an instant and enormortgages thereon at the precise mous increase. These states almoment when the property be- ready send between one million comes comparatively worthless. and two millions of tons of cereals The country through which the to Europe, the annual export PROPOSALS FOR FURNISHING MA greater portion of the C. P. R. R. somewhat varying with the crop runs yields no local traffic revenue. and the demand. It is carried San Francisco and Sacramento around Cape Horn in sailing ships, (which are in reality California) a distance of between thirteen can go by the "sunset route." The thousand and fourteen thousand Union Pacific has already made miles. This route will be halved arrangements with the N. P. R. by the Isthmus transit. In other R. Co. for its transfer, and the words, the time will be shortened completion of the latter road will by a half, the wages and the mainin addition to its regular business tenance of the crew by a half, and draw off a large quantity of pat- the risks by a half. Even with ronage which has been hitherto the added canal tolls the transgiven unwillingly, to the "Big portation of the grain must cost Four" of San Francisco.

A New Party.

A NEW party is forming. Its headquarters are in Chicago. The first meeting or conference will be held on the 4th of next July. The platform of the new organization declares opposition to all saving of scores of millions. Yet monopolies, transportation, telegraph, money, land, light, water, invention, or others of a public nature; it demands that the government control and own the railroad and telegraph lines, that the patented inventions of great utility be purchased by the government and It is in Arizona, the only place sold for the common benefit; it possible for such outrages, and by declares against the surrender of governmental power to corpora- ble, that these atrocities occur. tions, especially to banks of issue, Cook was the only man that ever The I. S. N. Co.'s Steamer and demands national legislation appreciated the Apache. His to regulate the rate of interest, system was brief but effectual. also to establish postal and savings "When I go kill snakes I kill banks, and for the issuance by the snakes; when I go kill Apaches, I government of money to be a full kill Apaches." legal tender; it also demands legislation to punish people who put up "corners" in articles of food and to punish those who adulterate victuals and drink.

The fifth and sixth planks of the platform, to which all members are agents are supposedly happy. required to subscribe, are as fol-

Fifth-We demand the passage of laws which shall prohibit the immigration to the United States all the rights of citizen labor, equal rights, privileges, and representation for all citizens, and special privileges for none; laws which shall guarantee to every individual citizen the greatest personal liberty consistent with diseases. the rights of others, and the repeal of all unjust and oppressive laws.

Sixth-We demand the maintenance of a common school system, 908 pounds. with free, unsectarian education and free books for all; a just and a reduction in the cost of government; the overflow of corraption in public service, in representative bodies and at the polls, and of the rule of party "bosses," and the establishment of "a government of the people, by the people, for the people.

A petition is now in circulation to call a conference, signed by men in all parts of the country. In California it is in charge of a committee of the central club.

The undersigned joined in a call for a national delegate conference which will be held in Chicago, on the 4th day of July, 1883, for the purpose of organizing a new political party to espouse the cause of legitimate industry in the irre-pressible conflict already entered upon between the confederate

monopolies and the people. All who favor the restriction of the power of corporations, the holding of the public lands for actual settlers, the suppression of of gambling in the necessities of life, and of combinations which fix prices against the natural laws of trade, the destruction of legal rights in vested wrongs, and the overflow of all monopolies and of all systems and laws made in the interest of the feature of interest of the lew against the of the currency by banks of issue and the taxation of all industry for the benefit of formal distribution of the currency by banks of issue and the taxation of all industry for the benefit of formal distribution of the currency by banks of issue and the currency by banks of issue and the currency by banks of issue and the taxation of all industry for the benefit of the currency by banks of issue and the taxation of all industry for the benefit of the currency by banks of issue and the taxation of all industry for the benefit of the currency by banks of issue and the taxation of all industry for the benefit of the currency by banks of issue and the taxation of all industry for the benefit of the currency by banks of issue and the taxation of all industry for the benefit of the currency by banks of issue and the taxation of all industry for the benefit of the currency by the currency by the currency by the benefit of the currency by the cu the benefit of favored enterprises under the guise of a protective tarunder the guise of a protective tardies will find it to their interest to give her a
dies will before going elsewhere. A large assortment of
ment of the President, Vice President and United States Senators, by a direct At reasonable

vote of the people; all who favor simple and just government, as against that which is complex and corrupt, are invited to choose deles gates to represent them in the conference, the basis of representation being four delegates for the District of Columbia, four for each Territory, and four for each congressional district in the United

Believing that a crisis, forced by tional affairs, but in civilization itself, we appeal to the freemen of

from a half to a third less than now. This must mean the saving of many millions a year for the Pacific States—by the time either Pacific States-by the time either canal is finished, at the present rate in the increase of grain exports, it will probably mean the saving of scores of millions. Yet this is only one item in the prospective uses of an inter-oceanic

WITH three transcontinental railroads it reads singularly enough that a party of of Indians are devastating white settlements. Apaches, the only tribe now capa-

THE grandest preparations are being made for the coronation of the czar. All of the "crowned heads of Europe" will be presented, and the continental insurance

THE star route trial like a wounded snake drags its slow length along; the principal actors in in it are liable to die of extreme of all servile and pauper labor and old age before any definite result criminals, and which shalt secure will be reached.
