Messenger "Blood."

A correspondent wants to know: "What stock of horses imp. Messenger sprung from?" Also, "has the word Messenger any connection with thoroughbred?" The writer, doubtless, has been listening to the "argument" of the theorists who contended that all trotting capacity came from Messenger, and that every drop of running blood in the trotter is a positive injury to him. The man to whom turf history is a sealed book would naturally infer in listening to this talk that Messenger was widely removed from the running family. The simple truth of the matter is that Messenger was thororoughbred, was running-bred. He was a gray, foaled in England in 1780, where no determined efforts have been made to cultivate a trotting gait. He was bred for the running turf, and prior to his importation to the United States in 1788 he ran in two races. His sire was Mambrino, and his dam, after nine pure crosses, anchored in Natural Barb mare. He was the sire of race horses at long and short distances, and Herbert, who saw saw him often and describes him in his book, pronounces him "the best horse ever brought to America." He died in 1808, aged 22 years. His opportunities for getting roadsters were great, and consequently his blood is a prominent factor in the fast trotting horses of to-day. No thoroughbred will get trotters in the first second or third removes unless his progeny are used in harness.—*Turf, Field and Farm.*

PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the *only* sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that *nothing* but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

Brown's Iron Bitters will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will *not* blacken the teeth, cause headache or constipation, and is positively *not* injurious.

Saved his Child.

17 N. Eutaw St., Baltimore, Md.
Feb. 12, 1880.

Gents:—Upon the recommendation of a friend I tried Brown's Iron Bitters as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of Brown's Iron Bitters, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required;" and when informed that the elder sister was taking Brown's Iron Bitters, responded "that is a good tonic, take it."
Adoram Phelps.

Brown's Iron Bitters effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.

SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid

SALICYLICA works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent cures in three days.

REMEMBER

that SALICYLICA is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly.
